

## Thermostatic sets THERMO

Angle thermostatic set, large, nickel plated

Code	Dimensions	EAN13
4445250	1/2"	5907451966259

### Product usage:

For use in central heating installations

### Type:

Thermostatic sets

### Guarantee:

5-year  
(5-year thermostatic heads,  
25-year valves)

### Technical data/Operating parameters:

Max pressure: 1,0 MPa,  
Max temperature: 100°C

### Used materials:

thermostatic head GZ.08A, angle  
thermostatic valve, angle cut-off valve.

### Finish:

nickel
